ANNEX B

2027 PROJECT FUNDING APPLICATION GUIDELINES

Attachment to the 2027 call for contributions for micro-subsidy (restricted transfer)

Pursuant to:
Article 5 CTS letter u) as well as Article 4.1 (provision of money, goods or services in support of disadvantaged people and 4.2 (various secondary or instrumental activities) of its Statute, the Cuore Fratello ETS Foundation will examine requests for support of a small amount for the start-up of self-sustaining activities on site, consistent with local needs.
The goal is to promote economic autonomy by reducing dependence on welfare aid and also to allow local communities to support medical care for their children.

In particular, Fondazione Cuore Fratello - ETS will be able to contribute, through the local partner, to the purchase of goods for the start-up of activities aimed at self-sufficiency.
The micro-subsidy is non-repayable and must be used exclusively for the actions that will be approved by CF.
Expenses for administrative management fees or structural costs are not eligible.
The applicant or local partner will have to guarantee co-financing to the project.

Part of the proceeds of the activity (not less than 10%) will be allocated to the on-site support of care projects in favor of resident children and this must be adequately documented and reported.
It will therefore be necessary to demonstrate the actual provision and subsequent use of the quota for this purpose.
Failure to allocate the prescribed will result in exclusion from future similar procedures and/or the allocation of contributions by the Foundation.

The project may concern (by way of example) horticulture, subsistence breeding, local crafts, small proximity services.

The application must be accompanied by:

- brief description of the project with objectives, beneficiaries and timeline
- detailed cost estimate for the use of the micro-subsidy
- indication of the project contact persons

The contribution will be paid in two tranches (advance and balance) depending on the state of progress.

The beneficiary will have to submit a final report accompanied by the receipts of expenditure.
